Friday 16th June 2017

Dear Mums, Dads, Carers and Friends

Year One Phonics Check

Year One have now completed their phonics reading assessments. Thank you to them and to their teachers for working so hard this week. Great job!

Community Fun Day

Tomorrow, June 17th, is our Community Fun Day from 12pm. There will be lots of fun activities taking place in school which the children (and adults) are going to love! There will also be the usual stalls and games along with food and refreshments. Entrance is free and I would like to thank our FAF for organising this event and Kickstart for sponsoring it. Please come along to support our school. All money raised this year will go towards funding bike shelters for the children.

New starters parent meetings

We will be holding parent information meetings for parents who have children joining our Nursery and Reception classes in September. Here are the details:
Reception: Friday 30th June 9am
Nursery: Friday 30th June 10am

Global Learning Week

Next week (June 19th – 23rd) the children will enjoy our global learning week to learn about the lives and cultures of children from around the world.

As part of the week, the children will be thinking about World Refugee Day. Our children have put together a petition arguing for refugee children to have their rights met. Some children will be outside on the playground over the next few days to ask you to sign their petition. They have then planned a march (along with children from Moss Park Infant School) to our MP's office at Stretford Public Hall to hand in the petition.

Y6 Leavers Service at Manchester Cathedral

Today our children from Y6 joined over 600 Y6 children from across the Diocese of Manchester at the 2017 Leavers Service in Manchester Cathedral. The service was a wonderful celebration of our children, their journey through primary education and everything they have achieved. The Bishop blessed the children and wished them every success as they move on. The service ended with a song which perfectly summed up the service:

*'And it's from the old I travel to the new;
Keep me travelling along with you.'*

Exciting News

Over the last few months we have been planning a special trip for our children. On Monday 3rd of July we will be taking the **WHOLE SCHOOL**, all 235 children, on a school trip together! We will be heading off to Sale Water Park for a day of kayaking, raft-building, archery, climbing and nature trails. This will be a memorable experience for all our children and thank them for a fantastic school year. As I am sure you can imagine, there are some complicated logistics involved in a trip for 235 3-11 year olds so we will send a letter home next week with further details.

Best wishes,
Mr T Johnson
Headteacher
