

ST MATTHEW'S CE PRIMARY SCHOOL

Tuesday 31st October 2017

Dear Parents / Carers,

Stretford Masterplan consultation event

Trafford Council have now published their revised masterplan for Stretford. These plans will have an enormous impact on our community and our school family. As you may know, the proposals include the creation of a 'student village' on Lacy Street for 1700 students, new housing on the small industrial estate on Poplar Road and major changes to the A56.

Following feedback from our parents, I requested that Trafford Council hold an event here at school to explain the proposals to parents and local residents. This will take place on **Thursday 9th of November at 9am.**

It will include a brief presentation from a number of council officers and local councillors but will primarily focus on answering your questions about the project. Following the meeting, the council will leave their presentation boards in school for parents to view at parents' evening that same evening.

All members of our school family, as well as local residents, are invited to attend. Free refreshments will be available.

There should be other consultation events held at venues across Stretford for parents who are unable to attend. However, this will be one of the few meetings held during the daytime and is designed for our families and local community.

I hope you can attend if you can.

Best wishes,

Mr T. Johnson
Headteacher
