Friday 26th May 2017

Dear Mums, Dads, Carers and Friends

Ofsted

As you may already know, St Matthew's received a two-day inspection at the start of the month and we now have the final report. I am delighted to announce that St Matthew's continues to be rated as a **'Good School'**.

You should have received a letter from me yesterday along with a copy of the full report. Both documents are now available on our school website.

Congratulations to everyone in our wonderful school family on making St Matthew's 'a school where everyone feels proud to belong'. Good job!

Year Two SATS

Year Two have now completed their SATS assessments. They have all tried their best and we are proud of every single one of them. Thank you to them and to their teachers for working so hard.

Community Fun Day

June 17th is our Community Fun Day from 12pm. There will be lots of fun activities taking place in school! There will also be the usual stalls and games along with food and refreshments. Entrance is free and I would like to thank our FAF for organising this event and Kickstart for sponsoring it. This year we are raising money to install a bike shelter for our children.

Team Point Winners

Congratulations to our team point champions: Pankhurst Team! Their hard work, positive attitude and brilliant behaviour this half term earned them a morning of Mad Science. How fantastic!

Sports Day

This year's Sports Days at St Matthew's were even better than last year! So many members of our school family came along to support the children and stay for the family picnic afterwards. The atmosphere was fantastic and the children all did so well. Well done to everyone, especially the winning team Turing.

Thank you to everyone for a brilliant half term. We now break for our two-week half term break and return to school on Monday 12th of June.

Please stay safe over the holidays.

Best wishes,

Mr T Johnson, Headteacher
