Friday 1st December 2017

Dear Mums, Dads, Carers & Friends

Great news!

I am delighted to report the outcomes of our SATs results this year. In 2017 our Y6 children's SATs tests scores were higher than all national averages. Even better, our children's performance was higher than Trafford's overall performance which is an enormous achievement as Trafford is the highest performing borough in the North West. There were also big improvements in all other key stages too. Congratulations to our hard working children and dedicated staff.

School Governors

Just a reminder that we have two vacancies for parent governors on our Board of Governors. If you wish to nominate yourself then please come and see me at school. Parents will then need to complete the application form which can be found on our school website and is available from the school office.

stmatthews.trafford.sch.uk/our-school-family/

The application form contains full details about school governance, eligibility, expectations and terms of office. Nominations must be returned to school by 8th of December at 9am. At the moment our governing body needs members who have a professional background, or have experience of professional leadership or experience with facilities management. However any parent can apply.

Samba at St Matthew's

After just 10 weeks of study with Trafford Music Service, Y4 were able to light up a dreary November afternoon with a super samba concert. Great job!

Non-uniform day on Friday 8th of December

We ask for donations to our Christmas Fair of chocolates or bottles (wine, juice, soft drinks).

Cross Country

Congratulations to our wonderful cross country runners who braved the rain, mud and cold to compete for our school at Longford Park. It is wonderful to see our children have such school spirit that they gave up their Saturday morning to compete. Well done!
