Attendance Reminder

If children attend school every day, they will be able to make the most of every opportunity given to them. Every day provides learning opportunities and it is noticeable when children have time off school. Please ensure your child attends regularly, arrives on time and appointments are made outside of school hours whenever possible. Thank you.

Tree Planting

As part of our 40th Birthday celebrations, we had planned to plant a poplar tree on our school field. Unfortunately, the freezing weather put a stop to these plans.

We will now be planting the tree on **Thursday 22nd March**. We will also be planting a new coppice area and native hedgerows to encourage more wildlife. This will be a special afternoon involving all the children so everyone will need their outdoor clothing that afternoon.

Breaking News!

Y5 have recreated their news report as part of their English learning. They are studying the book 'The London Eye Mystery' about a child who mysteriously disappears on the London Eye. I wonder what our reporters uncovered?

Best Wishes,
