Emergency phone numbers

Please can you inform school if your emergency contact details change. We ask for all parents to give us alternative names and numbers of family or friends which we can use in emergency situations. It is important these numbers are up to date.

Staffing news

Mrs Thompson, who worked in our school office, has decided not to return to school. She now wishes to spend time focusing on her family. We will all miss her greatly and I am sure you will join with me in wishing her well for the future.

It has been very challenging for us at school with temporary cover in our school office since before Christmas. Despite doing a wonderful job, this is not the same as two, long-standing members of staff who know our children and families well. I know this situation has been frustrating for parents; our communication and organisation has not been as good as I want it to be. I am sorry for this.

We hope to appoint a new office manager next week and will be advertising for an administrative assistant/receptionist soon. Thank you for your understanding and patience as always.

The Beast from the East!

Unfortunately, the wintery weather caused the cancellation of a number of planned events this week. We will rearrange the Early Years trip and our 40th Birthday festivities soon. Despite these problems, the children loved playing in the snow!

Stay warm!

Mr Johnson Headteacher
