Friday 27th April 2018

Dear Mums, Dads, Carers and Friends,

Year Two Trip

Year Two enjoyed a brilliant trip to the Museum of Science and Industry this week. They enjoyed touring the exhibits and taking part in an interactive workshop linked to their art topic – textiles and weaving.

Sponsored silence

Congratulations to Y5 for completing their sponsored silence challenge to raise money for autism awareness charities. This was an idea the children themselves came up with when they finished reading their class novel about a child who has autism. The children raised an incredible £838 which they will send to the National Autistic Society. What a great example of how compassionate and thoughtful St Matt's children are- well done Y5!

Spring Fair

Thank you to everyone who stopped by and supported our school Spring Fair today. It was a great success. This fair was organised by our Friends and Family group who work so hard to support our school. They are always looking for extra help so if you have any time to volunteer then please get in touch.

Head lice

Head lice are very unpleasant and can pass easily between children. Please can all parents be vigilant. It is important that children with long hair have their hair tied back. Loose hair makes it much easier for head lice to be spread. If your child has head lice then they must be treated before they return to school. It is advised to change bedding, towels etc. and treat again in 7 days.

Year Six SATS week

SATs start for our Year Six children on Monday 14th of May and continue for the rest of the week. This is obviously a stressful time for Year Six and we will aim to make the week as easy for them as possible. These tests are very important so children must be in on time, every day. All Year Six children will be eligible for a free breakfast club in school that week. To help your children at home, early nights and some enjoyable distractions will help enormously. Please see Miss Tyrer or Mr Langridge if you have any questions.

Staffing News

Congratulations to Miss Charles who gave birth to a baby girl over the holidays. She has been called Beatrice and both Mum and baby are doing well.

We sadly have two members of staff leaving us at the end of the summer term. Miss Webber, our Reception teacher, will be leaving to relocate back to her family in Kent. Despite only being with us for a year, we will be very sad to see her leave and wish her well for her big move. Mr Snell will also be leaving us at the end of the summer term to take on a full-time Sports Coach role at a large primary school in Manchester. He will be greatly missed but we wish him all the best for the future.

Best Wishes,
Mr T Johnson
Headteacher
