EYFS Curriculum

Personal, Social and Emotional Development

- Discuss friendship and how to look after each other
- Share what is special to us and 'Why I am special'
- Discuss different emotions and learn how to express them appropriately

Communication and Language

- Join in with activities in class
- Listen to my friends and teachers
- Learn new vocabulary through stories and play

Physical Development

- Learn about my body and how to keep healthy
- Move confidently in a variety of ways

Expressive Arts

- Use my imagination to engage in role play activities
- Explore musical instruments and songs
- Use different materials, media and tools to create collages

Literacy Reading

- Handle books carefully and enjoy listening to stories and poems
- Learn to read simple words and sentences
- Use the new vocabulary learnt through role play

Literacy Writing

- Write my own name and other words using phonic knowledge
- Begin to write short sentences
- Hear initial sounds and other sounds in simple words
- Continue a rhyming string

Mathematics

- Count up to 20 and find 1 more or 1 less
- Learn to solve problems
- Investigate with number, shape and measure
- Recognise familiar shapes in the environment

Understanding of the World

- Talk about plants and animals
- Question why things happen and investigate
- Show care for the environment
- Complete a simple programme on a programmable toy

RE

- Learn stories from different faiths and think about which stories are special and why
- Learn about places that are special and why
- Learn about the importance of prayer and which people are special
- Learn about different festivals and their importance to the community
