Friday 25TH January 2019

Dear Family and Friends,

Cross Country

Congratulations to our school cross country team who braved a very wet and cold day on Saturday to run for our school team. The children were all fantastic. Some of our children received team medals and one of our boys won the Year 5 race! Thank you to the parents and staff who supported the even too.

Sponsored school run

To celebrate the installation of our new running track we will be holding a sponsored school run on **Wednesday the 6th of February**. We are challenging our children and staff to run a total of 500 miles, which is 2,500 laps of our track! We think we can do it and would love for you to sponsor us. We are sending home sponsorship letters today and there will be spare copies available from the office. Children are welcome to wear suitable clothing for the full day (trainers, jogging bottoms, jumper). In the event of bad weather, we will complete an indoor fitness challenge instead. We will be joined by a famous local athlete on the day to help us all get to ready run and cheer us on. All funds raised will go to our Friends and Family group who raise money for projects around school. We are hoping this event will provide us with the funds to install new bike shelters.

PE kits

This week there has been some confusion around PE kits for winter so I thought it would be helpful to provide the PE uniform list:

Indoors

- Plain White T-Shirt
- Plain black shorts
- Black pumps

Outdoors

- As above with the addition of trainers and jogging bottoms for cold days. Children can wear school sweaters/cardigans with PE kit on cold days.

Please can items be named and be brought to school in a suitable bag.

Accidents

We have been reviewing our systems for reporting accidents and head bumps to you. Parents often tell us that paper notes never make it home or are left in book bags and trays. We are also concerned about how easily the information on paper notes, which is confidential, can be read by other people. Therefore we are soon to be begin sending home bump notes and accident slips electronically. This is why we have been asking parents for email addresses. We hope to begin using this system after the half term break.

Please can you make sure you have provided your email address to school as soon as possible. We will continue to call parents when the accident is serious or involves a head injury. Hopefully this new system will work better for everyone.

Best wishes,

Mr Johnson
Headteacher
