Friday 15th March 2019

Dear Family and Friends,

St Matthew's symphony

Following a very successful trip to the Bridgewater Hall last month to enjoy a performance by the Halle Orchestra, Year 5 have had the wonderful opportunity to take part in the 'Adopt-a-player' project.

Working alongside musicians from the orchestra, Year 5 composed their own version of Beethoven's Seventh Symphony, which they then performed at Stretford Grammar School on Monday evening. The children were a credit to the school throughout the whole project and we're all very proud of what they achieved in just a few short weeks. Well done Year 5!

Parent conduct policy

At St Matthew's, we are committed to building positive relationships with parents and carers. To support us with this, we have emailed all parents and carers with our conduct policy, alongside an important letter from the Headteacher and governing body. Please take the time to read these carefully. Should you have any queries, you're welcome to raise these with myself or Mr Johnson. Paper copies are available at reception should you not receive one electronically.

Notice: As we now have e-mail addresses for the vast majority of parents, we will begin sending newsletters out electronically in the coming weeks.

Staffing news

Today we say farewell to Miss Osmond, who has covered maternity leave in Nursery for the last year. We are always sad to see members of our school family move on, but we wish her all the best in her new job. Miss Charles has already returned to school and has enjoyed getting to know the children over the last two weeks!

Cross country success

Well done to all children who took part in the cross country races at Longford Park last weekend. All our teams earned a medal and one member of Year 5 managed to clock the fastest lap! This was the last race of the season so I would like to take this opportunity to thank all members of our school family who have supported our runners, despite the often cold and wet weather!

All hands on duck in Key Stage 1!

After weeks of waiting patiently, Year 1 and 2 are celebrating the safe arrival of several ducklings. I'm sure the excitement will only grow as they begin to care for them in the coming days!

Best wishes,

Mr Langridge
Deputy Headteacher
